WHAT IS JAPAN BOOK BANK?

Japan Book Bank is an online catalogue where you can find information on Japanese books. Find the content you are interested in, and get connected with the licensor and books ready for global release!

FEATURE 1 **Check rights availability anytime**

- After creating an account, you can easily check the latest rights status at any time.
- Adaptation information for animation, films, etc., can also be confirmed.

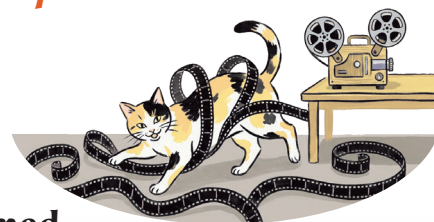

FEATURE 3 **All genres included**

- You can find not only comics but also interesting Japanese books from all genres!
- Search by title, author, publisher, ISBN, genre, and language interest.
- Sample content is available for quick review.

FEATURE 2 **Contact licensor through Japan Book Bank**

- There's no need to search for a contact address! Just create an account and you can send a message to the licensor.
- Your message will be directed to the appropriate agent/licensor, who will then get back to you.

FEATURE 4 **You can find the original publication on which a film adaptation is based!**

MORE EXCITING INFORMATION!

We regularly feature various themed topics! You can also check numerous past features in the archive.
